Dear Ms. Brown:

Thank you for your note concerning the environmentally sensitive.

You can be assured that we have not given up but are continuing to press for assistance for those who suffer from this disorder. Shelley Martel (Sudbury East) has raised this matter once again in the context of an individual case in Sudbury. I am enclosing, for your consideration, the relevant extract from Hansard.

965-2692

I am taking the liberty of drawing your concerns to the attention of our Health critic, David Réville (Riverdale).

965-1349.
Susan Walters.

Yours sincerely,

Bob Rae, MPP
Leader of the Official Opposition
